UCORE Course Renewal Schedule
Spring 2022 - Spring 2024
Revised January 2022

This schedule is organized alphabetically by parent course prefix and color coded by renewal semester. Scroll through or control+F to find your unit’s courses and the semester in which to submit for renewal. Renewals are expected by December 1 and April 1 respectively. Within prefixes, courses are listed in the order in which they come up for renewal, not numerically. Double check other prefixes for any cross-listed courses and communicate with cross-listed units so a course does not miss the deadline.

Revisions to this version reflect the following:
1. Courses already received, renewed, or dropped have been removed from the schedule.
2. No course has been moved up for renewal. If it has been moved, it has been pushed back by a semester or two. Most moves are to balance UCORE Committee review work or at unit request.
3. Courses that missed earlier deadlines have been incorporated into this revised schedule.
4. Courses currently holding a [DIVR] designation have been pushed back from any Fall 2021 or Spring 2022 deadlines until the status of the Pursuing Equity and Justice proposal, currently pending before Academic Affairs has been resolved by Faculty Senate. We hope to resume [DIVR] renewal submissions by Fall 2022, at which time, some departments may wish to convert from a [DIVR] to an [EQJS] designation.
5. Additional revisions made forthwith on a case-by-case basis in consult with departments.
